## ANOTHER ALMA CASE

It Proves That There's A Way Out for Many Suffering Alma Folks.

Just another report of a case in Alma. Another typical case. Kidney ailments relieved in Alma with Doan's Kidney Pills.

C. W. Ainsley, 212 W. Center St., Alma, says: "Some six years ago my kidneys were in a pretty bad shape. It hurt me to stoop over and when working around and getting in different positions, sharp pains would dart all through my back. At times it hurt me to turn or move in bed. When I stooped over and raised up quickly, everything was blurred before me and sometimes, I got so dizzy that I could hardly see at all. My kidneys were weak and acted irregularly and the secretions were highly colored and very painful. I saw in the paper how many people used Doan's Kidney Pills with good results and I got a few boxes. Doan's cured me and I haven't been troubled for years."

## Periodic Bilious Attacks.

Persons subject to bilious attacks at regular intervals know about when to expect an attack. They find that they have no desire for food when an attack is due but usually eat because it is meal time. Skip one meal and take three of Chamberlain's Tablets and you may be able to avoid the attack. Persons subject to periodic bilious attacks should not drink tea or coffee at any time.—98-4w.
